

Amendments to the Specification:

Please replace the paragraph beginning at page 17, line 3 with the following rewritten paragraph:

B1 If another unselected offer does not exist, the game provides the currently achieved offer to the player, as indicated by block 166. After the game provides the player with a consolation award, as indicated by block 160, or provides the currently achieved award to the player, as indicated by block 166, the sequence of the present invention ends as indicated by oval 168.
